

## **Eliminate Food & Water Sources**

- **Cleanliness is Key:** Wipe counters, clean spills, and don't leave dirty dishes in the sink.
- **Store Food Properly:** Keep all dry goods (cereals, pasta, pet food) in sealed plastic or glass containers.
- **Manage Trash:** Use sealed bins and take out the garbage daily.
- **Control Water:** Fix leaky pipes, wipe up water spills, and dry sinks and tubs.
